

NZ TELEHEALTH
FORUM & RESOURCE CENTRE

YOU'RE INVITED TO A
TELEHEALTH WEBINAR:
**ALLIED
HEALTH**

THURSDAY 26TH NOVEMBER 7-8PM

MODERATOR:
Rebecca George

*Chair of HINZ, Chair of
National Allied Health,
Scientific and Technical
Informatics Group*

Moderated by Rebecca George, this webinar focusses on telehealth adoption in allied health. This specialised topic features panellists who will share their experiences and thoughts on the benefits and challenges for continued high-quality care. The webinar will reflect some of the ways health professionals already work, adapted to work across telehealth platforms, as well as offering some new approaches.

Panellists will lead discussion and pose questions about what health professionals can learn about telehealth in an allied health environment.

PANELLISTS:

Pip Zammit Director, Allied Health, Scientific & Technical, Northland DHB

Sharon Russell Associate Director, Allied Health, Scientific and Technical, Waitematā DHB

Miranda Buhler Physiotherapist and Hand Therapist, Southern DHB

Aoife O'Reilly Team Leader for Speech-Language Therapy (Kaiwhakatika Reo Kōrero), Wellington Hospital

Aimee Dackers Primary and Community Clinical Informatics Lead, Physiotherapist, Whanganui District
