

NZ TELEHEALTH
FORUM & RESOURCE CENTRE

YOU'RE INVITED TO A TELEHEALTH WEBINAR:

Mental Health

THURSDAY
3 JUNE,
7:00PM-8:15PM

MODERATOR:
Dr Yariv Doron

*Child and Adolescent
Psychiatrist, CAMHS,
ICT Clinical Advisor –
Taranaki DHB*

This month's webinar is moderated by Dr Yariv Doron and features a line-up of mental health experts who will review mental health and telehealth projects, share success stories and discuss existing barriers.

The panellists will present some of their projects and reveal insights on a telehealth-approach for assessing and addressing those with mental health issues, and how this can build capacity to support the youth and the elderly, and beyond. The experts will share how they have promoted advocacy and how health professionals can move into active roles that will have lasting impacts in society.

We encourage you to tune into this 75-minute webinar as it speaks to the opportunities and challenges of telehealth, and how each one addresses mental health.

The webinar will explore four key themes:

- Primary mental health services running within the space of telemedicine, including a multitude of services run by Whakarongorau Aotearoa
- Case studies of co-design endeavours, inequity and cultural insights
- Specific lens on younger and elderly clients
- Reflection on future directions in New Zealand and their potential utilisation of telehealth

PANELLISTS:

Dr Siale Foliaki	Clinical Lead - Crisis Services, Whakarongorau Aotearoa
Dr David Codyre	Clinical Lead – Mental Health and Addictions, Whakarongorau Aotearoa
Dr Lyndy Matthews	Lead Psychiatrist, Whakarongorau Aotearoa
Dr Janine Bycroft	Executive Director at Health Navigator Charitable Trust
