YOU'RE INVITED TO A TELEHEALTH WEBINAR:

# Improving Maori health gains

**THURSDAY, 30 SEPTEMBER, 7.00PM - 8.15PM**

**MODERATOR:**  
Mary Losē

Tēnā koutou katoa. Nau mai, haere mai.

Digital enablement tools are used daily in Aotearoa to support and improve Māori hauora.

This webinar delves into virtual services who navigate to engage and serve Māori, Pacific and other communities with unmet needs.

The panel will share their challenges around equity of access and access to devices and connectivity.
