YOU'RE INVITED TO A TELEHEALTH WEBINAR:

What does telehealth look like in 2022 for primary care

(In partnership with Aotearoa Collaborative)

THURSDAY 24 FEBRUARY 7-8PM

MODERATOR:
Dr Samantha Murton

President, Royal NZ College of General Practitioners

The first telehealth webinar of 2022 kicks off with a special webinar brought to you in collaboration with Aotearoa Collaborative.

Our line-up of panellists will talk to their own experiences in primary care, including telehealth in oncology and palliative care, patient portals and the importance of video consultations in a Omicron COVID-19 world.

A survey will be conducted during the webinar to learn about who is doing what in telehealth across the country, and responses will be discussed.
