

NZ TELEHEALTH
FORUM & RESOURCE CENTRE

YOU'RE INVITED TO A TELEHEALTH WEBINAR:

When the microphone is on...

WEDNESDAY 7 JUNE 7PM - 8PM

MODERATOR:
Dr Ruth Large

*Chief Clinical Officer –
Whakarongorau
Aotearoa; and Chair
of NZ Telehealth
Leadership Group*

Join our upcoming telehealth webinar, where we will delve into the intricacies of video/audio recordings of telehealth consultations. Facilitated by Ruth Large, chair of the NZ Telehealth Forum, this session will cover everything from why, what and when to record (or not), to who could/should record.

Ethical and legal considerations surrounding recording telehealth consultations will also be discussed, including privacy and consent issues, quality assurance activities, and how to navigate these challenges in a telehealth setting.

Our expert panel of presenters will draw on international experiences to provide valuable insights and recommendations.

Be part of the online conversation and register today!
