

**NZ TELEHEALTH**  
FORUM & RESOURCE CENTRE

YOU'RE INVITED TO A TELEHEALTH WEBINAR:

# Security and privacy

**THURSDAY  
26 OCTOBER  
7PM - 8PM**

**MODERATOR:**  
**Scott Arrol**

*Chief Executive -  
Motor Neurone  
Disease NZ (MND)*

The risks are growing for patient data. This webinar invites our speakers to discuss the importance of security and privacy in the telehealth setting and how we can practically implement measures to keep patients safe and data secure.

Join us for a roundtable discussion with thought leaders and experienced professionals.

This webinar is part of a series designed to help attendees stay current in the evolving world of telehealth in Aotearoa New Zealand.

***Be part of the conversation and register today!***
