Leadership Group*

**YOUR
QUESTIONS
MATTER!**

Participate
in a dedicated
Q&A session.

Join us for our first webinar of 2025 which focusses on AI and how AI tools are being used to address current telehealth challenges. Our six speakers who are leaders in all things data, digital and telehealth, will share their knowledge of applications of AI and their vision for the future. You will learn about the potential future developments in telehealth and how AI will continue to transform the healthcare landscape.

Connect with experts in the healthcare and technology sectors and participate in a live Q&A session with our speakers to get your questions answered. We welcome anyone interested in access to health care, telehealth and virtual healthcare to join and be part of the conversation. **REGISTER TODAY.**
