

YOU'RE INVITED TO A  
TELEHEALTH WEBINAR:  
**Equity and  
Improving Access**

**THURSDAY, 14TH MAY, 7PM - 8PM**

**Moderated by  
Susan Reid**

*Director, Health  
Literacy NZ*

Covid-19 has triggered rapid changes in the delivery of health services, and highlighted the need to address equity by improving access. The use of telehealth solutions can assist providers in providing continuity of care in a safe, secure and sustainable way. This webinar is the second in a series to support health providers, and is co-hosted by the NZ Telehealth Leadership Group, Health Navigator and Health Literacy NZ. Topics on improving access will include:

- What are the barriers?
- How can we ensure telehealth doesn't exacerbate health inequities?
- How do we maintain tikanga Maori practices when using telehealth?
- What is the telehealth experience?
